## A BILL

To enact section 153.75 of the Revised Code to

	restrict when a public authority may preference	2		
	a particular type of piping material for certain	3		
	public improvements.	4		
T ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:				
Section 1	. That section 153.75 of the Revised Code be	5		

enacted to read as follows:		
Sec. 153.75. (A) As used in this section:	7	
(1) "Public authority" means the state, a county,	8	
municipal corporation, water or sewer district, school district,	9	
or other political subdivision, or any public agency, authority,	10	
board, commission, instrumentality, or special purpose district		
of the state or of a political subdivision.		
(2) "Suitable piping material" means piping material to	13	
which both of the following apply:		
(a) The material meets or exceeds the standards issued by	15	
the American society for testing and materials or the American		
water works association.		

H. B. No. 214 As Introduced	
(b) The material meets the specifications of a project	18
described in division (B) of this section.	
(B) A public authority shall not prefer one type of	20
suitable piping material over another in constructing,	
developing, maintaining, rebuilding, improving, repairing, or	
operating a water, waste water, or storm water drainage project	
that is funded in whole or in part with state funds, unless	
sound engineering practices suggest that one type of suitable	
piping material is more appropriate for a particular project.
