**A BILL**

To enact section 153.75 of the Revised Code to  
require a public authority to consider all  
piping materials that meet the engineering  
specifications for a state-funded water or waste  
water project.

**BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:**

**Section 1.** That section 153.75 of the Revised Code be  
enacted to read as follows:

6  
7

**Sec. 153.75.** (A) As used in this section, "public  
authority" means the state, a county, municipal corporation,  
water or sewer district, school district, or other political  
subdivision, or any public agency, authority, board, commission,  
instrumentality, or special purpose district of the state or of  
a political subdivision.

8  
9  
10  
11  
12  
13

(B) A public authority shall consider all piping materials  
for the construction, development, maintenance, rebuilding,  
improvement, repair, or operation of a water or waste water  
project that is funded in whole or in part with state money that

14  
15  
16  
17

<u>meet the engineering specifications for the project as</u>	18
<u>determined by the design engineer, who shall be a professional</u>	19
<u>engineer registered under Chapter 4733. of the Revised Code.</u>	20
