

2019 Engineering Excellence Awards Sponsorship Opportunities

The Engineering Excellence Awards Competition is an annual program that brings well-deserved public recognition to Ohio's engineering industry by spotlighting engineering projects that demonstrate a high degree of uniqueness, ingenuity and value.

Companies are invited to enter their best projects, either construction designs or engineering reports and studies, in the state competition.

Entries are evaluated by a panel of judges who rate each entry on the basis of its uniqueness and originality; technical value to the engineering profession; social and economic considerations; complexity; and how successfully the project met the needs, including time and budget constraints, of the client.

Why Sponsor?

Sponsorship is an excellent and simple way to put your logo in front of vast crowds that include clients, partners, agencies and other possible connections. We offer diverse bundles to provide ample recognition for your firm at each event including but not limited to, printed materials, inclusion in our e-Newsletter and relevant social media posts.

Sponsoring the annual Engineering Excellence Awards luncheon not only helps us continue to better both our industry and communities but also celebrates the innovation, complexity, achievement and value in all aspects of engineering.
