

ACEC Ohio/ACEC Indiana Joint Finance Forum

Thursday, September 12, 2024 (1:00 PM - 3:00 PM)

Join Colleagues from ACEC Ohio and Indiana for this interactive Finance Forum on September 12 from 1-3 PM ET virtual via Zoom. In the Finance Forum, member firms' financial professionals meet annually to discuss key finance issues affecting their firms and to share best practices, solve problems, and gain insights into industry trends. Katharine Mottley from ACEC National will join us to walk through the key tax provisions – such as the Section 199A passthrough deduction – that are scheduled to expire at the end of 2025, how the various election outcomes could impact the debate, and what ACEC is doing to engage with Congress. We will break into smaller groups following the opening presentation to discuss key finance issues. Eligible for 2 PDHs

Two days of training

KNOWING you must maintain a healthy backlog, sustain profitability, and keep top talent engaged is the first step towards becoming an invaluable AEC firm principal. EXECUTING these and other mission-critical tasks separates real-deal principals driving firmwide success from those who struggle to move beyond project management roles.

The best architecture and engineering firm principals aren't born knowing what do to. They learn from highly successful leaders sharing their hard-won knowledge at AEC Principals Bootcamp.
