Dear Colleague,

Each year in Central Ohio, we celebrate the feats of Professional Engineers by observing National Engineers Week, a celebration dedicated to encouraging a diverse and well-educated future engineering workforce. This coming year, the annual Engineers Week Luncheon will be held on **Wednesday February 25, 2026**, at Villa Milano Banquet Conference Center.

The professional organizations coordinating the Central Ohio Engineers Week Luncheon need your help. Your donation will help support the cost of the luncheon and enable select high school and college students interested in engineering to attend the event at no charge. As a sponsor of the engineering profession, your aid will help make the Central Ohio Engineers Week Luncheon a great success!

**PLATINUM: \$1000 (Only one sponsor!)**

- 8 registrations for luncheon (Reserved table)
- Present the speakers during the program.
- Logo on event slideshow with Platinum Level recognition.
